

We need volunteers to be docents for the SDFAI Exhibit

ART of the PEOPLE CONTEMPORARY ANISHINAABE ARTISTS

This show features 7 artists whose work reflects their traditions and beliefs in a contemporary voice. It is a powerful, meditative and beautiful exhibit that We are sure you will enjoy spending time being in the gallery experiencing the works and helping others to engage in the works.

We will be doing a training/education meeting on June 30 at 1:00 at the Old School House that will last 2 hours.

A preview of the exhibit will involve talking about each artists and specific works. There will also be an overview of the Anishinaabe people and contemporary Native American art.

A binder will be kept at the gallery so when you are there, you can refer to the information in case you are asked a question that you have no clue what the answer is!

We will need docents on
Thursdays-Sundays from July 2 through October 1.

It would be terrific if you could sign up for one day and one (2hour) shift a week.

There will be a list of fellow volunteers with their contact information in case something comes up and you need to find someone to fill in.

Your job is so important! Without docents, the gallery will not be open and the opportunity to see this exhibit will be lost.

We look forward to working with you

Megweetch! (Thank you)
