

The **Fearless Leader Scholarship** was inspired by the strength and courage of a student who bravely stood before this community to share a personal revelation. Overcoming fear, self-doubt and uncertainty, that voice was heard and made a positive and significant impact on the issue at hand.

“The youth of today are the leaders of tomorrow.”
Nelson Mandela

A few that witnessed that student’s bravery were greatly moved and were stirred to do something to encourage such “fearless” leadership in the young adults in our community. Ultimately, they decided to establish a scholarship for Saugatuck High School graduates who courageously act – even when their voices crack or knees shake. Every year, one such student leader will be awarded the **Fearless Leader Scholarship** to assist them as they pursue the next steps of their education and develop into the leaders of tomorrow.
