

Hello Salvatore ,

We are so excited to be with you in West Michigan this Sunday and we have updated times and days for our events.

We just learned that Governor Whitmer will be in Grand Rapids Sunday from 5-8pm.

So, we are **moving the start time of our Faith, Hope & Love not Insurrections and Christian Nationalism Rally to 3pm on Sunday.**

We will then join in the Whitmer event with our bus and crew.

We are moving the Confronting Christian Nationalism Training in Grand Haven to Monday at 6:30pm.

We look forward to joining with you to bring about the common good on Election Day.

[Sunday, Nov 6 at 3pm](#) in Grand Rapids we are hosting a rally supporting Gretchen Whitmer, Hillary Scholten, Winne Brinks, David LaGrand, Carol Glanville, Christine Baker, Kim Nagy, Jessica DeYoung, Todd Avery, Joseph Alfonso, and Ed Aboufadel.

Please join us and many of these great candidates for an evening of music, poetry, inspiration, and common good courage before Election Day.

This forum will help participants:

- Develop an understanding of Christian Nationalism and faithful responses to it
- Explore research-based characteristics of American Christian Nationalism
- Incorporate responses to Christian nationalism into our faith communities
- Learn ways to personally engage and talk with those who adhere to Christian nationalism

We are excited to join you this Sunday in raising a common good voice standing up for our Democracy and calling out the election result-denying, insurrection-defending, politician-attacking, democracy-downgrading political movements that are seeking power in Michigan and across the United States.

Looking forward to seeing you Sunday.
